The Local TravelSmart map aims to promote sustainable travel choices. These maps are produced by the Department of Transport and the City of Albany.

This map can be made available in alternative formats, phone 6051 6500 to make your request.

Although every effort has been taken to ensure accuracy of information on this map, Department of Transport is not responsible for errors or omissions. The information on this map was prepared by the Department of Transport and may not be used for any commercial or marketing purposes.

All information on this publication was compiled at the time of printing. The Department of Transport is not responsible for changes to road names, the addition of shared paths or the deletion of unsuitable routes. The information is only for general reference and should not be used as a substitute for a current map of the area.
Getting around the local area

This guide will help you get to know your local neighbourhoods and bush you live or visitors to the City of Albany.

Wherever you are going, consider your options – that is what our Travelsmart is all about.

To find out more about Travelsmart go to: www.transperthwa.gov.au or call (08) 9841 1211.

How to use this map

The two sides of this map show different areas of Albany and include information on walking, cycling and bus routes. Both sides feature a wide range of handy services and amenities.

To make sure you use this map, try the following:

• Look for places you never knew were there like parks, community centres and shops.
• Look for places on the map that get active, consider visiting countryside near. You might find something or meet someone that makes your day.

Walking and Riding

Walking and riding are great ways to fit physical activity into your everyday life. Think about the local walks you make such as going to the shops, dropping kids at school, visiting friends and family or crossing a river. Which of these can you do by walking or cycling?

This map shows record lane roads and nature paths, which are marked with green lines with large bicycle symbols. These paths can be into town centres and high quality regional public, which are much wider and have a dotted line down the centre.

Get more and more people riding bikes, plenty of bike routes can be found in our City. Keep an eye out for the bike riding option. The City of Albany is committed to making sure you have plenty of places to enjoy your bike when cycling around the City. If you are just thinking of where and how to ride in the City, we have a great choice of where the bike track is located. Email our Transperth at Transperth@albany.wa.gov.au.

Check out the amazing feature to and visit this site www.albany西方.com.au.

For further information about the amazing riding in the region check out the 19 Great Riding sections on www.albany西方.com.au.

Catching the Bus

On the map, thick green coloured lines are bus routes. Bus stops are shown as coloured squares along the road. Buses in Albany are sized to carry 40 passengers. Look at the thick green bus routes and you can track the thick green coloured lines to see your bus to your journey.

To find out when buses depart from your local stop, visit www.transperthwa.gov.au or call 136 213. You can also read the timetable on (08) 9411 3299 for local bus services. Bus timetables are available from the Visitor Centre and the Library.

All buses on accessible routes are low floor and have ramps for prams, wheelchairs and strollers. Accessible bus routes are many in number on the map and are marked accordingly in the legend.

We hope you enjoy exploring the City of Albany has to offer.
