

Friends of the WA Museum

Membership Venues

Our mission is to ensure members enjoy the best our Museum has to offer, and that, as Friends they gain a true appreciation of Western Australia's rich natural and cultural heritage.

The Friends association aims to achieve these objectives by providing its members with a diverse range of social and educational activities, presented in a friendly and congenial atmosphere.

In doing so we aim to broaden the appeal of our Museum to the Western Australian community, and ensure that the Museum's pre-eminent place in our cultural life is maintained and enhanced.

WESTERN AUSTRALIAN MUSEUM - COLLECTION AND RESEARCH FACILITY

friends

OF THE WESTERN AUSTRALIAN MUSEUM INC

Since being established in 1891 the Western Australian Museum is not only the state's oldest scientific institution but also one of its most enduring. Changes in name, focus and venues have paid testament to its ability to respond to new demands from its social and cultural environment. The new millennium and associated new technologies are challenging museums; reshaping their form and functions; redefining their roles and revising their presentation. All of which make for provocative, fascinating, challenging, exciting and stirring times to be involved with our Museum.

By joining Friends of WA Museum, you not only enjoy your own choice of benefits based around the Museum's activities and main collection (currently more than 3.0 million specimens/artifacts), but you become integral in Western Australia Museum's own journey in a time of unprecedented exploration and change.

Benefits to you include purely social as the Friends' calendar of select previews, coffee mornings and exclusive events aims to structure events to bring people of similar interests and passions together to ensure an affable time is had by all.

In light of the wonder and diversity of material on show in the Museum it is easy to forget that like icebergs, a large percentage of the Museum's activity occurs below view. Membership allows focus on the research and activities undertaken across departments ranging from Anthropology and Maritime Archaeology to Earth & Planetary Sciences and Aquatic Zoology.

Fremantle history walk with Friends of the Western Australian Museum

The Western Australian Museum is undergoing some significant changes, so what better time to become a Friend of the Western Australian Museum. Being a Friend is the chance to support this instrumentality as well as the opportunity to be a privileged member of the Museum's world - its events, exhibitions, collections, research programs and its global partners.

Dr Harry Butler CBE CHWA

Patron - Friends of the Western Australian Museum

The Western Australian Museum operates within the national Museum sector; the state government's cultural infrastructure; WA's vibrant local arts, entertainment, culture and education scene. Friends membership focuses on new and emerging issues across these areas; facilitates visits or ticket deals wherever possible and highlights relevant forthcoming seminars and other events with appeal to those who are interested in learning more of the cultural bigger picture and specifically the contexts in which the Museum operates.

For younger people the Museum's vast array of exhibitions, facilities, talks and other events is selectively picked to offer activities of particular interest to those 16 and under as well as devising exclusive events when demand warrants it.

Membership may be purchased on behalf of a younger person and makes a unique gift which lasts a whole year.

WAM Friends' Membership benefits:

- Calendar of WA Museum social events plus opportunity for new and additional events as requested by members
- Dedicated Friends events across WA Museum calendar
- Exclusive viewings of WA Museum premier exhibitions
- Field excursions and behind-the-scenes tours led by Museum staff
- Discounts and special offers from WA Museum Shops and Cafes
- Regular Friends Newsletter with content tailored to specific interests
- Free admission to the WA Maritime Museum, Fremantle
- International recognition and reciprocal benefits with global Friends organisations
- Access to the Friends Lounge at the Western Australian Museum
- Advance notification of public programs, lectures, talks, seminars and other special events
- Discounts on various educational activities and public programs
- Friends' benefits applicable at all five WA Museum venues
- Reciprocal benefits with various WA Museum partners
- Notification of and priority consideration for key volunteering roles
- Opportunity to serve on Museum focus groups and public panels to make a genuine contribution to future planning of the Museum

Perhaps the most important benefit for some will be the ability to share life experiences with the new friends made among members and the professional museum staff and associates.

All benefits correct and applicable at time of going to press. Availability may be limited or subject to change at each or all venues subject to specific statutory or regulatory requirements.
