WESTERN AUSTRALIAN MUSEUM

The Western Australian Museum — Perth is located in the heart of the Perth Cultural Precinct, close to the CBD and public transport facilities, offers a unique venue for your off-site meeting or presentation.

The TUNNEL THEATRETTE is situated in the basement level of the WA Museum and is accessible from the main entrance foyer. The Tunnel Theatrette is suitable for product launches, corporate presentations, lectures and workshops. The Woodward Boardroom, also available for hire, can be used in conjunction with the theatrette as a break-out room or additional space.
