story

# Museum of the Goldfields

Immerse students in the life of the early goldfields and explore the diversity of the local flora and fauna.

## Views to the Past\* Outreach available

Years K-10

*Historical knowledge and understanding*

How was life in the early goldfields different to now?

Explore the Museum displays to see what life was like for people then. Participate in interactive activities such as playing old-fashioned games and creating new games to get a feel of life in the past.

This program can be adapted to your specific needs. Discuss this with the Education Officer when making your booking.

## Woodland Wonders\* Outreach available

Years K-3

*Historical knowledge and understanding*

Through storytelling and puppets, discover some of Australia's animals and explore the importance of the Great Western Woodlands and the need to protect our environment.

## Let's Make Christmas

(available November and December)

Years K-2

*Historical knowledge and understanding*

How did people celebrate Christmas in days gone by?

Enjoy a trip back to the early days of Kalgoorlie as you get ready for the festive season with home-made decorations and Christmas cards.

## Innovative and Hand Made\* Outreach available

Years K-7

*Historical knowledge and understanding*

How have everyday items and toys changed from days gone by.

Discover how everyday items were re-purposed and given another lease on life. Using innovative ideas children re-purpose the available items into a useful object.
