

Person With A Pearl

Put yourself into the picture.

Choose and print your template, with or without a ready-made frame.

Give a fresh and modern take on Vermeer's famous 1665 painting **Girl with a Pearl Earring** and draw yourself as the **Person with a Pearl**.

Design your own unique and precious pearl pieces to wear. Will they be an earring, necklace, nose stud, eyebrow stud, head piece, tiara...?

Draw a frame around your portrait or decorate and colour the ready-made one.

Post your drawing on the Museum of Geraldton's Facebook page #personwithapearl
